

YOUR ART BEAT

YOUR ART BEAT e.V.

A non-profit association

YOUR ART BEAT is a creative network, which celebrates the diversity of arts and creative expressions. As a multifunctional contact point for everything to do with art, culture and creativity, we offer a support structure with different priorities and various resources. Part of it is the non-profit association YOUR ART BEAT e.V.

What exactly is YOUR ART BEAT e.V.?

YOUR ART BEAT e.V. is a non-profit association founded in the beginning of 2017. The guiding motive of the association is the protection and preservation of cultural heritage of past, present and future generations. We see our role in promoting and supporting artists. Furthermore, YOUR ART BEAT wants to preserve the work, reputation and spirit of artists beyond death, in order to prevail creative products and cultural goods over time.

Besides that, we are pursuing the vision of enriching the YOUR ART BEAT structure with an additional tool: The YOUR ART BEAT GALLERY. We consider this tool as a somewhat immersive and medially processed store where we generate knowledge in common, grouped in categories, and make it available to society. With the help of the latest technologies and intermedia processing forms, creative content will not only be tangible but lead to a new form of perception by addressing different senses and stimuli. By this future-oriented approach, we not only want to create a common art memory, but give a new innovative form to the generation, exchange, and expansion of knowledge.
